

CURRICULUM VITAE

NAME: GROTH-MARNAT, Gary

CONTACT DETAILS: Hollister Ranch, Parcel 98
Gaviota, CA 93117
tel: (805) 698-7817 or (805) 567-1012
email: ggrothmarnat@pacifica.edu

CITIZENSHIP: U.S.A./Australia (dual national)

EDUCATION: B.A. Degree in Psychology (1973; double major in Fine Art), United States International University

M.A. Degree in Clinical Psychology, California School of Professional Psychology (1975)

Ph.D Degree in Clinical Psychology, California School of Professional Psychology, San Diego (1977; APA approved doctoral program)

CREDENTIALS: California State Psychology License (1980- present, PSY 6686)

Fellow of the American Psychological Association, Division 12 (2005-present)

Diplomat, American Board of Assessment Psychology (2005-present)

Registration, National Register of Health Service Providers in Psychology (1980-1990)

Fellow and Diplomat, American Board of Medical Psychotherapists (1984-1990)

Marriage, Family, Child License (M-14665, 1977-79)

Registration as a Psychologist, Western Australian Board of Registration; Specialty registration in Clinical Psychology and Clinical Neuropsychology (1992-2001)

Member, Board of Clinical Psychologists (Australian Psychological Society). 1985-2001

EMPLOYMENT: ACADEMIC

CORE FACULTY/FULL PROFESSOR: Pacifica Graduate Institute, Carpinteria, California, Ph.D. Clinical Program. Core faculty/Research coordinator. Responsibilities include lecturing, clinical supervision, supervision of student research, coordination of research program. Specific courses include Psychological assessment, Research Methods, and Psychopharmacology. 2005-present.

ADJUNCT PROFESSOR (rank: FULL PROFESSOR), Part time teaching for Pacific Graduate School of Psychology, Palo Alto (Clinical Interviewing); Fielding Graduate University, Santa Barbara (Theories of Assessment, Advanced Topics in Psychological Assessment); and Pacifica Graduate Institute, Santa Barbara (Research Methods, Psychological Assessment, Psychopharmacology). 2001-2005.

VISITING SCHOLAR, Counseling/Clinical/School Psychology Program, Graduate School of Education, University of California, Santa Barbara. Wrote second edition of *Integrative assessment of adult personality* with Larry Beutler, and completed fourth edition of *Handbook of psychological assessment*, co-teaching Advanced Clinical Appraisal, supervision of student psychological assessments, September, 2001-2002.

SENIOR LECTURER IN CLINICAL/HEALTH PSYCHOLOGY, DIRECTOR OF CLINICAL TRAINING (Tenured; U.S. equivalent Associate Professor), Department of Psychology, Curtin University, Perth, Australia. Teaching, research, and administration for post-graduate programs (Honours, M. Psych., Ph.D.) but primarily the M.Psych/Ph.D. in Clinical Health Psychology. Responsibilities included lecturing, coordination of student field practicums, placement supervision, and supervision of student research. Specific courses included Psychological Testing, Psychological Assessment, Clinical Neuropsychology, Psychopharmacology, Clinical Hypnosis, Health Psychology, and Psychopathology. January, 1991- September, 2001.

EXCHANGE PROFESSOR (1998), Psychology and Human Development, California Polytechnic University, San Luis Obispo, CA, USA. Responsibilities included teaching, research, supervision of student practicums and research, and administration of graduate and undergraduate students. Specific courses include Physiological Psychology, Introduction to Clinical and Counselling Psychology, Applied Psychological Assessment. January, 1998-December, 1998).

LECTURER IN PSYCHOLOGY (Tenured; U.S. equivalent Assistant Professor), Department of Social Science, Deakin University, Victoria, Australia. Teaching responsibilities included Abnormal Psychology, Personality Theory, Health Psychology/Behavioural Medicine, Introduction to Psychology, Social Research Methods, Social Psychology, Adult Development, and Human Behaviour in Organizations. Subjects were taught in both the internal (on-campus) and external (correspondence) mode. Additional responsibilities included conducting ongoing

research, student counselling, course development of psychology subjects for nursing and psychology students, supervision of student research projects, and seeking course accreditation from the Australian Psychological Society. July, 1984-January, 1991.

ASSISTANT PROFESSOR OF PSYCHOLOGY, Department of Psychology, National University, San Diego, California, U.S.A. Teaching responsibilities included presentation of graduate and undergraduate courses in Personality Theory, Abnormal Psychology, Counselling, Communication, Clinical Hypnosis, Interpersonal Communication, Psychological Assessment, Discovering the Total Person, Stages of Adult Development, Physiological Psychology, Psychological Testing and Evaluation. Additional responsibilities included supervision of field practicums, evaluation of student research projects, and development and implementation of a Ph.D program in clinical psychology. Feb., 1978 - June, 1984.

ADJUNCT PROFESSOR, Department of Psychology, University of La Verne, San Diego, California. Teaching responsibilities included Psychological Assessment and supervising psychological evaluations performed by students working towards the M.A. degree in psychology. April-July, 1979 and April-July, 1983.

PSYCHOLOGY INSTRUCTOR, part-time, Department of Psychology, Palomar Community College, San Marcos, California. Introduction to Psychology. January-June, 1978.

PACE PROFESSOR, Program Afloat for College Education, Chapman College, San Diego, California. Responsibilities included student advising and development and implementation of psychology courses taught aboard U.S. Navy ships overseas. Courses taught included Introduction to Psychology, Psychology of Adjustment, Advanced General Psychology, and Counselling. August-January 1977 and February-July, 1982.

PSYCHOLOGY INSTRUCTOR, part-time, Department of Psychology, San Diego City College, San Diego, California. Courses taught included Advanced General Psychology, Introduction to Psychology, Effective Living and substitute teaching when needed. September, 1975-July, 1976.

TEACHING ASSISTANT, California School of Professional Psychology, San Diego. Teaching responsibilities included presenting lectures and conducting tutorials for Intrapsychic Psychology: The Psychoanalytic approach to Personality and Pathology (coordinator Chris Downing, Ph.D.), Psychology of Death and Dying, and Psychotherapy with the Dying (coordinator; Stanislav Grof, M.D.). Sept., 1975 - Jul 1977.

TEACHING ASSISTANT, Department of Psychology, United States International University, San Diego, California. Responsibilities included presenting lectures and conducting tutorials for Introduction to Psychology. September, 1972-June, 1973.

EMPLOYMENT PROFESSIONAL

CLINICAL NEUROPSYCHOLOGIST, Rehabilitation Institute of Santa Barbara, part time neuropsychological assessment, design of interventions, pain evaluations, treatment planning, individual psychotherapy (March, 2002-present)

CLINICAL NEUROPSYCHOLOGIST/PRIVATE PRACTICE, Santa Barbara, CA. Part-time private practice in clinical and forensic neuropsychology. (2001-present)

CLINICAL NEUROPSYCHOLOGIST/PRIVATE PRACTICE, Perth, W.A. and Warrnambool, Victoria Australia. Part-time private practice in clinical and forensic neuropsychology. (1984-2001)

CLINICAL PSYCHOLOGIST, The Family Centre, Vista, California. Half-time private practice in clinical neuropsychology and individual, marital, and family psychotherapy. July, 1978 - June, 1982.

CONSULTANCIES/WORKSHOPS:

WORKSHOPS: Australian Society of Hypnosis. Provided series of training workshops on hypnosis. 1992-2001, Perth, Australia.

WORKSHOPS: Western Australia, Department of Health. Workshops on psychological assessment with an emphasis on the WAIS-III. 2001, Perth, Australia.

CONSULTANT: Western Australia, Ministry of Justice. Series of workshops on screening and assessing for neuropsychological complications among forensic populations. 2000, Perth, Australia

CONSULTANT (Centre for Communication Research), Victorian Public Service Board, Melbourne, Victoria, Australia. Presentation of program in management skills; "Consolidating organizational change." July, 1985. Mount Gambier Hospital, Mount Gambier, South Australia, Presentation of management skills

CONSULTANT, Family Practice Department, Naval Regional Medical Centre, Camp Pendleton, California. Ongoing training and supervision of family practice residents (registrars) in interviewing skills, family psychotherapy, and psychological assessment. Continual emphasis was placed on the interface between psychology and medicine including the specific contributions behavioral medicine can make towards assessing and treating medical conditions. August 1979 - December, 1983.

CONSULTANT, Department of Psychology, University Hospital, San Diego, California. Assertiveness training and stress reduction for primary service providers in a large teaching hospital. November, 1975-January, 1976.

COUNSELLOR, Learning Development Services, San Diego, Responsibilities included teaching and counselling in a program designed to treat adolescents

experiencing learning disabilities and behaviour disorders. Difficulties included short attention span, mirror reversals, poor visual-motor coordination, and impulsiveness. September, 1972-March, 1973.

CONSULTANT, Department of Corrections, San Diego Honor Camps-Barrett. Provided technical support for planning, implementation, coordination, and evaluation of a therapeutic community. Duties included educational consultation, policy planning, and after-care program. September 1972-March, 1973.

PROFESSIONAL TRAINING

HYPNOSIS/FAMILY THERAPY, Individual (60 hrs) and group (100 hrs.) training and supervision of patient caseload with Milton H. Erickson, M.D. (1976-1980). Coursework (10 units and individual supervision (30 hrs.) with Joseph Barber, Ph.D. (1976-1980). Individual (100 hrs.) and group (100 hrs.) supervision in family therapy with George A. Sargent, Ph.D. (1977-1981).

CLINICAL NEUROPSYCHOLOGY, Individual supervision of patient caseload with Melvin Schwartz, Ph.D. (1979-1983). Coursework (5 units) at C.S.P.P. (1977). Workshops; "clinical neuropsychology" and "child neuropsychology", (1979), Ralph Reitan, Ph.D., "behavioural toxicology" and "forensic neuropsychology", (1983) Jeff Schaeffer, Ph. D.

POST-DOCTORAL INTERN, The Family Center, Vista, California. Individual, group, and family psychotherapy, neuropsychological and forensic evaluations in fulfilment of clinical internship requirements and post-doctoral licensing hours. Primary supervisor: Francis Parks, Ph.D. March, 1978 - July, 1979.

PRE-DOCTORAL INTERN, Western Institute, Escondido, California. Clinical activities included individual and group psychotherapy, psychodiagnostic testing, and community outreach. Responsible for organizing drug diversion (PC 1000) program and consultation to the high school district and community college. Clinic focused on treating drug abuse in a semi-rural Southern California community. Emphasis on short term, goal directed treatment with maximum family involvement. Primary supervisor: Gary Lancaster, Ph.D. September, 1976- July, 1977.

FIELD PRACTICUM, San Diego City College, San Diego, California. Clinical duties included patient evaluation, individual and group therapy for school related difficulties. Teaching, program evaluation, and supervision of community college students. Emphasis on behaviour therapy and crisis intervention. Primary supervisor: Jenny Steinmetz, Ph.D. September, 1975- August, 1976.

POST-DOCTORAL INTERN, The Family Center, Vista, California. Individual, group, and family psychotherapy, neuropsychological and forensic evaluations in fulfilment of clinical internship requirements and post-doctoral licensing hours. Primary supervisor: George Sargent, Ph.D. March, 1978 - July, 1979.

FIELD PRACTICUM, San Diego Youth Services (Group Home), San Diego, California. Clinical duties included individual and group psychotherapy for residents. Total treatment plan emphasised peer counselling, vocational and educational planning, psychodiagnostic testing, and case planning. client population of adolescents (13-17 years) experiencing legal (601) and/or chronic family disturbances. January, 1974-August, 1974.

PROFESSIONAL ASSOCIATIONS AND MEMBERSHIPS

American Psychological Association (1979- present; Member/international Affiliate/fellow)
 Australian Psychological Society (1984-1998)
 APS, Board of Clinical Psychologists and Board of Counselling Psychologists (1985- 1998)
 California State Psychological Association (1975-1977)
