One Google Account for everything Google

4. Create a **new password** and enter it twice.

5. Click the **“Change Password”** button.

The screenshot shows the Google password change interface. At the top is the Google logo. Below it, the text reads: "Please change your password", "Please choose a new password to finish signing in.", and "Read some tips on [creating a secure password](#)." There are two password input fields, each containing a series of dots and a visibility icon. A blue button labeled "Change password" is at the bottom. Red arrows point from the instructional text boxes to the first input field, the second input field, and the "Change password" button.

Once you have completed these steps you will be able to access your Student Email.
