1. From the Course Home page, **click on “Grades”** in the Mini Navbar.

The screenshot shows the Pacifica Graduate Institute course home page. At the top left is the logo for Pacifica Graduate Institute. Below the logo is a dark brown navigation bar (Mini Navbar) with the following links: Course Home, Learning Modules, Discussions, Dropbox, **Grades**, and Classlist. The 'Grades' link is circled in red, and a red arrow points from the instruction box above to it. Below the navigation bar is a 'News' section with a dropdown arrow. The first news item is titled 'Welcome to COURSE' and is dated 'Posted Feb 26, 2014 3:13 PM'. The text of the news item reads: 'Dear students, please take a few minutes to review the syllabus:' followed by three bullet points: '•Notice that some Modules open earlier than the stated dates in the syllabus.', '•You may choose to complete these Modules and work ahead of time.', and '•However, the actual due date for each module post is specified in the course syllabus.' At the bottom right of the news item is a link that says 'Show All News Items'.

2. From the Grades page, you can see all your assignments (or “grade items”) as well as the scores and feedback.
