

PACIFICA

GRADUATE INSTITUTE

March 2010

Dear Clinical Student,

In the Fall of 2009, Dr. Aizenstat, Dr. Broderick and Dr. Bennett, met with all Clinical students to explain how the curriculum would be improved with the addition of Thursday night Practicum Seminars beginning in the Fall of 2010. These Practicum Seminars have been developed to improve the quality of our clinical training in order to meet APA guidelines. We are pleased to offer these Thursday night Practicum Seminars and have included their description in our APA Self Study. Their development will enhance the connection between our academic program and practicum sites.

While the residential and non-residential fees were adjusted to reflect the additional services required for the added time on campus, tuition was held at levels consistent with all other Ph.D. programs at Pacifica Graduate Institute. We have included the 2010-2011 academic year Tuition and Fee Schedule to assist you with your planning.

If you have questions about the specifics of the fee schedule, payment plans, or billing procedures, please contact Leanne Ackler, Student Accounts, in the Business Office at ext. 107. Questions regarding financial aid should be directed to the Financial Aid Office at ext. 137. Both offices are more than willing to discuss your financial questions or concerns.

We appreciate your contribution as a continuing student and wish you continued success at Pacifica.

Sincerely,

Carol Pearson, Ph.D.
Executive Vice President and Provost

James Broderick, Ph.D.
Chair, Clinical Psychology
