## GRADUATE INSTITUTE

---

March 2010

Dear Continuing Student,

As your studies for the Winter Quarter come to a close we hope you are finding your work at Pacifica to be meaningful and rich. We appreciate your dedication to the traditions of depth psychology and mythological studies as you carry those legacies forward into the world.

At this time of year we evaluate what resources are necessary to support and enhance the quality of your academic programs. Many factors are taken into consideration when setting tuition and fees for the next academic year. To support your personal planning we have included the 2010-2011 academic year Tuition and Fee Schedule with these greetings. At your convenience, please take time to review.

If you have questions about the specifics of the fee schedule, payment plans, or billing procedures, please contact Leanne Ackler, Student Accounts, in the Business Office at ext. 107. Questions regarding financial aid should be directed to the Financial Aid Office at ext. 137. Both offices are more than willing to discuss your financial questions or concerns.

We appreciate your contribution as a continuing student and wish you continued success at Pacifica.

Sincerely,

Carol Pearson, Ph.D.  
Executive Vice President and Provost
