<tr>
<td>I, the undersigned, would like to petition the DCT for an exception to existing clinical training policy. I want to:</td>
</tr>
</tbody>
</table>

- [ ] Remain at my existing Diagnostic Practicum site for Psychotherapy Practicum.
- [ ] Remain at my existing practicum site for an internship*.
  *Please attach to this form a written explanation of how internship training will differ from practicum level of training (increased responsibility, increased independence, new training site, new supervisor, etc.).
- [ ] If site is not APA, or member of APPIC or CAPIC, please attach to this form a written explanation of how this site meets licensure requirements in the state you plan to become licensed.
- [ ] Separate from a practicum prior to completing 500 hours.
- [ ] Accrue more than 24 hours per week in Practicum.
- [ ] Other: |

I understand that the reason for the existing policy to which I am applying for an exception is: |

Following the recommended policy would represent a hardship for me because (attach page if necessary): |
