Addendum to the Supervised Practicum Guidelines

August 1, 2020

Regarding weekly logs for tracking practicum hours:

The MA Counseling Psychology Practicum Department now accepts the Board of Behavioral Sciences (BBS) Weekly Summary of Experience Hours log. Students may choose to either use PGI Weekly Summary of Hours of Experience logs or the BBS Weekly Summary of Experience Hours logs to record their practicum hours. Instructions for completing logs are the same. Please refer to Tania's Tips.
