## Definitions

- “Number of Students Who Began Program” means the number of students who began the program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the Number of Students Available for Graduation.
- “150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates)
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length including on-time graduates, divided by the number of students available for graduation.
- “Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

## PACIFICA GRADUATE INSTITUTE
