

PACIFICA
GRADUATE INSTITUTE

OFFICE OF THE PRESIDENT

Dear Pacifica Community,

I am writing to notify you that Pacifica's General Counsel, Marvin Richards, is departing from Pacifica, effective July 3, 2023, and Senior Director of Transdisciplinary Social Research and ALO, Peter Rojcewicz, effective June 30, 2023.

Marvin has decided to leave Pacifica to accept a General Counsel position at another college. We appreciate his significant contributions to Pacifica, including serving as our interim President and his role as General Counsel. Marvin's unflappable manner, wise counsel, strategic thinking, and easygoing nature will be sorely missed.

After more than three and half years at Pacifica Graduate Institute, during which time he served as Provost, Vice President of Academic Affairs, Accreditation Liaison Officer (ALO), and member of the Executive Team, Dr. Peter M. Rojcewicz has chosen to retire on June 30th. Dr. Peter extends his sincere gratitude to faculty, staff, students, trustees, and the executive team he has worked with.

We express our deep appreciation for all Marvin and Dr. Peter have given Pacifica and wish them our best. Additional follow-up regarding their transition and the future of those positions is forthcoming.

In gratitude,

Dr. Lee
