PROJECT 50 CAMPUS VISIT – FRIDAY, JUNE 2

To Pacifica Staff & Faculty:

This Friday, June 2nd Pacifica Graduate Institute's Office of Admissions will be hosting a campus visit from Project 50, a group that provides resources to Black and underserved communities in Ventura County. Project 50 was created to serve the Black community by bringing awareness to the resources and programs that exist in Ventura County through community engagement. They are supported by the Ventura County Department of Child Support Services, Ventura County Probation Agency, America's Job Center, and the County of Ventura Public Defender.

A group of about 16 high school and Ventura County Community College students will be joining us to receive a welcome by campus staff, a campus tour, lunch, and a closing activity. Dexter Nunnery leads Project 50 and is one of our valued campus partners.

Pacifica faculty and staff are welcome to join us for the visit, which is listed below. We look forward to welcoming our guests and inspiring them to pursue higher education.
