Pacifica at the Threshold:
Honoring Our Legacy. Dreaming Our Future.

Honor the Legacy. Celebrate the Community. Be Part of the Story.

For fifty years, Pacifica Graduate Institute has been shaped by the people, ideas, and experiences that make our community extraordinary.

As we celebrate this historic milestone, we invite alumni, faculty, friends, businesses, and community partners to become part of our 50th Anniversary Gala Commemorative Program.

Whether you wish to honor a beloved faculty member, celebrate your Pacifica experience, share a message of congratulations, or showcase your organization, your contribution will become part of a special keepsake commemorating Pacifica's first fifty years.

Your participation also helps support this milestone celebration as we honor our legacy and look toward the next chapter.
